

# James Lind Alliance Concussion Priority Setting Partnership

Do you have questions about the diagnosis, prevention, treatment or care of concussion which you feel could benefit from research?

You can participate in a research study to help determine the top 10 questions that concussion researchers should answer.

## Who are we?

We are a team of patients, caregivers and healthcare providers who are working together to identify research priorities in concussion.

## If you are:

- ✓ a person who has had one or multiple concussions
- ✓ a family member or caregiver of a person living with a concussion
- ✓ a healthcare provider who takes care of people with concussion
- ✓ a coach, teacher, colleague or friend of a person with concussion

**We want to hear your questions for concussion research!**
