Key Drivers 2010 - 2013			
Key Driver	Activities	Progress	Achieved
Prepare a plan to ensure that JLA principles are mainstreamed by March 2013			
Continue to manage a suite of Priority Setting Partnerships to develop experience, knowledge base and evidence			
Publish the JLA Guidebook and update on a regular basis as evidence and experience grows.			

Use the guidebook to facilitate a less JLA personnel-intensive approach to supporting PSPs			
Work directly with MRC to understand how it currently promotes patient engagement in funding decisions - and then work with them to produce a plan for advancement			
Clarify, and, where possible assess / measure change in organisations of patient / clinician involvement in research prioritisation
