

Declaration of Interests

The James Lind Alliance (JLA) requests that all organisations and individuals in the Priority Setting Partnership who intend to vote for priorities at the final priority setting workshop on 5 June 2015 please complete this short questionnaire. The JLA strives to maintain a culture of openness and transparency among partners. We seek these responses to help us to work most effectively with you, and to maximise your participation in the process.

The aim of the questionnaire is to ensure the following:

- confirmation of shared goals and values
- transparency about any potentially competing interests

Your name: _____

A shared vision for the partnership

1. The JLA's goal is to work with patients, carers and health professionals as equal partners in the process to set shared priorities for research. In working with the Shoulder Priority Setting Partnership, do your reasons for participating match this goal?

Yes No (please delete as necessary)

1a. If you answered 'no', how do you see yourself working with the JLA?

2. Do you have any competing interests which could be seen to influence your participation in the workshop which you feel we should be aware of?

Yes No (please delete as necessary)

If yes, please describe how you will manage this.

3. Have or do you publicly declare any strong opinions about common shoulder problems?

Yes No (please delete as necessary)

If yes, please explain.

4. Please provide a short biography (up to 100 words) describing your experience/interest in common shoulder problems (this will be shared with everyone attending the final workshop in June).

Please return your completed form by noon on May 29th 2015, by email to Sandra Regan.
